

## Special Offer FAQ

### **What is the time period to submit an online application, so I qualify for the job offer discount?**

The special offer is available until December 31, 2019. You must submit an application by this date to qualify.

### **Do I have a good chance of being hired for the 2019-2020 school year?**

Yes. The hiring will continue to be strong through spring 2020 for the 2019-2020 school year. WCACP is committed to helping you obtain a teaching position.

### **How do I qualify for the job offer discount?**

You need a full-time job offer at a school district, accredited private school, or charter school in Texas. This will allow you to qualify for a \$500 discount off your remaining program fees.

### **Do I need to pass my content exam to qualify for the job offer discount?**

No. WCACP will help you pass your content exam.

### **Do I still have to pay the \$35 technology fee when I start?**

Yes. The program is responsible to collect a [\\$35 technology fee](#) per candidate who are admitted into WCACP. The technology fee collected is paid to the [Texas Education Agency \(TEA\)](#) at the end of the ASEP reporting year.

### **What is the Pre-Admission Content Test?**

The Pre-Admission Content Test allows you to take your TExES content exam prior to enrolling in an alternative certification program. The PACT allows you to gain admission to a program if you do not have the necessary credit hours in a given certification area.

### **How do I take the PACT test?**

You can register for your PACT exam (your TExES content exam) on the [Pearson website](#).

### **What do I use to study?**

You can download the [state study guide](#) to get started. If you want a full-service study manual, [240 Tutoring](#) has interactive material.

### **What is the cost of the PACT/TExES content exam?**

The cost to take a TExES content exam is \$116 per attempt.

### **Are the remaining program fees deferred until I begin teaching?**

Yes. You have the option to defer your remaining program fees until you begin your clinical teaching or teaching internship.

**If I need a GPA Exemption to start the program, do I qualify for discounts?**

No. The upfront cost to start the program is \$400 if a low GPA Exemption is needed. You can qualify for the \$500 discount that is offered.

**Do part-time teaching positions count?**

It depends. Per TEA law code, you must teach a minimum of 4 hours a day in your grade level and content area to qualify.

**How much will be taken off my program fees if I qualify for the job and passed test promotion?**

Your upfront \$149 program cost will be waived. You will also receive a \$500 discount on your remaining program fees once you begin the program. You must be recommended for a probationary of intern certificate within three months of beginning the program to retain the discount.
