

## Program Track Comparison

Once you're accepted into the program, you will choose a program track option. There are three options available.

Option #1	Option #2	Option #3
Pay-In-Full	Monthly Plan	Defer – until Hired
\$1,150 Savings!	\$650 Savings!	Low Price – Normal Rate
Start-up cost waived	\$99 start-up cost	\$250 start-up cost
\$3,450 total cost	\$3,850 remaining cost	\$4,350 remaining cost
Paid in one or two installments at the beginning of the program	\$99 payments are made until internship begins, then split into 12 months of interest free payments	12 monthly interest free payments once internship begins
Your program fees are paid - internship has no additional program fees	You will have smaller monthly payments once your internship begins	You will have the option to defer payments until your internship begins
